

Mohammad Ali Abdullah

About

I am a cheerful and optimistic man, a simple life-loving man who cherishes the ideals of the world's Prophet Muhammad (peace be upon him). In 2014 I graduated with an MSS in Economics from Dhaka Collage and Diploma in Software Development from IDB. Currently, I work as a Junior Software Developer with ATI Limited in Dhaka.

In my spare time I like to study Islamic books, I like to acquire technical skills. I try to find out about my relatives and the poor.
